EEN – Secure Database platform

An extensive database of current partnering opportunities:

- ➢ **13250 Opportunities in total**
- ➢ **6310 Technology Opportunities**
- ➢ **6800 Business Opportunities**
- ➢ **140 Local partnering opportunities**

Technology Transfer

In the business value chain the EEN provides advice & support through 5 types of Technology Transfer agreements**

Research → Development → Production → Sale ✗ End-User
**

6.) Commercial agreement
with technical co-operation

3.) Manufacturing agreement
4.) Licence agreement
5.) Technical co-operation

1.) Technical co-operation
2.) Joint venture

**. A TT is a transfer of technology, product, process,
expertise or know-how between two parties.**

EEN - Supports

- **Partnering Activities**
  - Trade missions in-bound or out-bound to the EU and other Nations
  - Bringing companies to EEN events at major Trade Fairs

- **Opportunity Discovery**
